

Peking University Health Science Centre

3 Week General English + Health Sciences Study Tour

The program is made up of 36 hours of General English tuition (in 3 hour teaching sessions) as well as a 36 hour Health Sciences program, including visits to various medical facilities in and around Adelaide. English classes will be closed (i.e. this group of students only) and will focus on the development of speaking, listening, reading and writing in a medical context, and tailored to meet the needs of the students.

Students will participate in a trip to Cleland Wildlife Park and attend a Bushdance as part of the tour.
