

Graduate Seminar

Welcome to learn more about Karolinska Institutet and our latest research and education.

Karolinska Institutet invites you to attend a graduate seminar "Global challenges to public health - collaboration for the future" with Tanja Tomson, programme director and research scientist at Karolinska Institutet. Study opportunities on Master's level within health and life sciences will also be presented.

Time: 2013年11月1日下午3:30 **Place:** 北京大学医学部卫生发展研究中心3层会议室
